

Music Education Program - Department of Music
School of the Arts
Virginia Commonwealth University

Final Project Proposal

Instructions

This form is to be completed after successful application for candidacy to the degree following completion of eighteen (18) credit hours of study. Once admitted to candidacy, you must be enrolled continuously in MUED 799 until project/thesis is successfully completed. The project/thesis is to be developed in consultation with a faculty advisor, who will serve as chair of the project/thesis committee. The project/thesis topic should be developed following the completion of approximately nine (9) credits (the first summer), with the committee being selected following the completion of eighteen (18) credits (the second summer).

Name: _____

Faculty Advisor: _____

Committee Members:

1) _____

2) _____

Topic Proposal

Attach a typed proposal for your topic. This document will include the proposed title, a detailed description of the procedure to be followed, timeline for completion, and projected end product. This document must follow APA guidelines and VCU Music Education writing guidelines. Submit this form and the proposal document to your Faculty Advisor.
