

VCU Department of Biochemistry & Mol. Biol. Announces

5th Annual Undergraduate Research Symposium/ ICAMS Research Retreat
Friday October 26, 2007

11-noon: Keynote Address
Dr. Pin-Lan Li
Professor of Pharmacology & Toxicology
VCU School of Medicine

“Lipid Rafts/Redox Signaling Platforms in Vascular Endothelial cells”
Thalheimer Conference Room, Massey Cancer Center, MCV Campus
Virginia Commonwealth University

noon – 2 pm: Research Poster Presentations
Demo Room 120-122, Massey Cancer Center, MCV Campus
Virginia Commonwealth University

The American Society for Biochemistry and Molecular Biology will present travel awards for its 2008 Annual Meeting in San Diego to the best poster presenters in the following categories: Biochemistry, Cell Biology, Molecular Biology & Genetics, and Biophysics.

Registration deadline is **October 19, 2007**. To register, please complete a registration form, available at <http://www.vcu.edu/biochem/>. Please note: to be considered for a travel award, you must provide documentation of registration for the 2008 ASBMB meeting. For more information, visit the VCU Department of Biochemistry and Molecular Biology website at <http://www.vcu.edu/biochem/> or call Mike at 828-0224.

Please join us for this exciting event!
