

CRASH INVESTIGATION REFRESHER & UPDATE

The Transportation Safety Training Center of Virginia Commonwealth University will conduct two **Crash Investigation Update & Refresher** courses in 2009. The 2-day training workshop, taught by members of the Virginia Multi-disciplinary Crash Investigation Team, will focus on the following motor vehicle crash investigation and reconstruction topics:

- Foundations of Crash Investigation and Reconstruction
- Documentation and Analysis of Roadway Evidence
- Documentation and Analysis of Vehicle Evidence
- Human Factors Issues
- Technologies for measurement and reconstruction
- Reconstruction Equations: time & distance, accelerations/deceleration, speed formulas and conservation of momentum
- Preparing for court
- Recent court cases & new legislation
