### Federal Direct Graduate PLUS Loan Process

**Step 1.** Completing this form gives VCU the authority to have a credit check performed on the borrower by the U.S. Department of Education. The borrower must complete a Master Promissory Note for the Graduate PLUS Loan (Graduate PLUS MPN) online at <https://dlenote.ed.gov>. If the student borrowed Graduate PLUS Loan funds previously through VCU, a Graduate PLUS MPN may already be on file with the Direct Loan Origination Center. The VCU Office of Financial Aid will notify the student if a Graduate PLUS MPN needs to be signed.

**Step 2.** The student will be notified by the U.S. Department of Education of acceptance or denial of the Graduate PLUS Loan request.

**Step 3.** If the Graduate PLUS loan is denied, the servicer will provide instructions concerning an endorser.

**Step 4.** When Graduate PLUS funds are applied to the student's VCU bill, all previously disbursed financial aid and other credits are ignored and the funds are assessed against all university charges. This means that financial aid and other credits such as cash and check payments, which were previously applied to the student's bill, are refunded to the student. Any amount of university charges previously paid for by credit card will be refunded to the credit card company.
