

VCU Medical Center

Virginia Commonwealth University

DEPARTMENT OF OTOLARYNGOLOGY

Head and Neck Surgery

Thursday Conference Schedule

(Unless otherwise stated, all conferences are held in AD Williams, Suite 402)

August 2009

- 08/06 7:30-8:30 AM **Allergy Part I**
Charles M. Johnson, III, MD, Otolaryngology, VCUMC
- 8:30-9:30 AM **Neuroradiology Conference**
Warren Stringer, MD, Neuroradiology, VCUMC
In this conference, the diagnostic imaging studies of patients seen during the past two to four weeks are presented and interpreted by otolaryngology residents. At the conclusion of this program the participants will have the ability to analyze and interpret diagnostic imaging studies from the cases presented. A neuroradiologist is present at this conference to assure and discuss interpretations and clinical implications
- 08/13 7:30-8:30 AM **Pathology Conference (Pathology Dept., 6th Floor Gateway)**
Celeste Powers, MD, Pathology, VCUMC
In this conference, which takes place at the pathology lab, the slides of biopsies obtained from our clinical practice during the previous two weeks are reviewed. Residents are to review the slides and the pathologist serves as moderator to assure that the findings are described properly. At the end of each pathology slide review, the pathology attending makes a short presentation regarding the particular case under review. At the end of each pathology slide review, the participants will be able to analyze and describe their findings for the case(s) presented.
- 8:30-9:30 AM **Minimizing Complications in Your Subspecialty Practice**
Daniel L. Wohl, MD, Pediatric Otolaryngology, Jacksonville, FL
At the conclusion of this session, attendees will be able to identify potential critical pathways leading to complications; recognize systems limitations in eliminating errors; and appreciate the physician's role in managing less than optimal outcomes.
- 08/20 7:00-8:00 AM **GME Lecture Series (Residents only) (no CME credits)**
- 7:00-8:30 AM **Faculty Meeting (no CME credits)**
- 8:30-9:30 AM **Allergy, Part II**
Charles M. Johnson, III, MD, Otolaryngology, VCUMC
- 08/27 7:30-8:30 AM **Allergy Part III**
Charles M. Johnson, III, MD, Otolaryngology, VCUMC
- 8:30- 9:30 AM **Temporal Bone Dissection Simulator Conference**
Gregory Wiet, MD, FACS, FAAP, Nationwide Children's Hospital, Columbus OH
During this presentation, participants will review the history of the development of the Temporal Bone Dissection Simulator and recent studies using this simulator. At the close of this program, the participants will be understand the driving forces behind the development of simulation technology in medical & surgical education; and be able to duplicate methods of using the simulator in temporal bone training.
