

VCU Medical Center

Virginia Commonwealth University

DEPARTMENT OF OTOLARYNGOLOGY

Head and Neck Surgery

Thursday Conference Schedule

(Unless otherwise stated, all conferences are held in AD Williams, Suite 402)

July 2008

- 07/03 7:00-8:30 AM **Faculty Meeting** (no CME credits)
8:30-9:30 AM **Neuroradiology Conference**
Warren Stringer, MD, Neuroradiology, VCUMC
In this conference, the diagnostic imaging studies of patients seen during the past two to four weeks are presented and interpreted by otolaryngology residents. At the conclusion of this program the participants will have the ability to analyze and interpret diagnostic imaging studies from the cases presented. A neuroradiologist is present at this conference to assure and discuss interpretations and clinical implications
- 07/10 7:30-8:30 AM **Evidence Based Medicine**
Kelley Dodson, MD, Otolaryngology, VCUMC
In this conference, participants will review the current literature in Otolaryngology – Head and Neck Surgery. Journal articles will be discussed and analyzed in great detail, according to the principles of Evidence Based Medicine. Participants will be instructed in proper methods to review the literature and analyze research techniques. At the conclusion of this session, attendees should be able to critically appraise the medical literature and incorporate new findings into everyday clinical practice.
- 8:30-9:30 AM **The Business of Medicine – Part I**
Charles M. Johnson, III, MD, VCUMC Department of Otolaryngology
At the conclusion of these conferences (Parts I & II), the participants will be able to demonstrate knowledge of the ICD-9 diagnosis and CPT procedure systems to seek maximum reimbursement and avoid coding pitfalls.
- 07/17 7:00-8:00 AM **GME Lecture Series (no CME credits) Residents only**
7:30-8:30 AM **Medical Staff Quality Program (no CME credits) Faculty only**
Jeffrey Green, MD, Anesthesia & Denise Russell, RN, Performance Improvement Manager, VCUMC
8:30-9:30 AM **Pathology Conference** (Pathology Dept., 6th Floor Gateway)
Celeste Powers, MD, Pathology, VCUMC
In this conference, which takes place at the pathology lab, the slides of biopsies obtained from our clinical practice during the previous two weeks are reviewed. Residents are to review the slides and the pathologist serves as moderator to assure that the findings are described properly. At the end of each pathology slide review, the pathology attending makes a short presentation regarding the particular case under review. At the end of each pathology slide review, the participants will be able to analyze and describe their findings for the case(s) presented
- 07/24 7:30-8:30 AM **How Does Thyroid Cancer in Children Differ from Adults?**
Gary L. Francis, MD, Ph.D., VCUMC Department of Pediatric Endocrinology
At the conclusion of this conference, participants will be able to list three ways in which thyroid cancer differs in children compared to adults.
- 8:30-9:30 AM **The Business of Medicine – Part II**
Charles M. Johnson, III, MD, VCUMC Department of Otolaryngology
- 07/31 7:30-8:30 AM **Temporomandibular Disorders**
Daniel M. Laskin, DDS, MS, Oral and Maxillofacial Surgery
Upon completion of this lecture, the participants should be able to: understand the various conditions that come under the heading of temporomandibular disorders; know how to diagnose the various conditions; and, understand the basic treatment for the more common temporomandibular disorders.
- 8:30-9:30 AM **QA/M&M – Closed Conference, Otolaryngology Staff and Residents Only**
Residents, Otolaryngology, VCUMC
At the close of this program, the participants will be able to pinpoint areas of suboptimal outcomes and devise plans for improving and maintaining good outcomes through review of operating room, emergency room, and office/clinic patient concerns.
