

VCU Medical Center

Virginia Commonwealth University

DEPARTMENT OF OTOLARYNGOLOGY

Head and Neck Surgery

Thursday Conference Schedule

(Unless otherwise stated, all conferences are held in AD Williams, Suite 402)

June 2009

- 06/04 7:30-8:30 AM **Medication Reconciliation – Tips and Tricks**
Alan Dow, MD, Asst. Dean of Clinical Curriculum & Renee Lay, Office of Clinical Transformation, VCUHS
At the close of this conference participants will recognize the importance of medication reconciliation, they will be able to perform medication reconciliation at VCUHS, and be able to use the medication documentation process to speed order entry and clinical documentation.
- 8:30-9:30 AM **Neuroradiology Conference**
Warren Stringer, MD, Neuroradiology, VCUMC
In this conference, the diagnostic imaging studies of patients seen during the past two to four weeks are presented and interpreted by otolaryngology residents. At the conclusion of this program the participants will have the ability to analyze and interpret diagnostic imaging studies from the cases presented. A neuroradiologist is present at this conference to assure and discuss interpretations and clinical implications
- 06/11 7:30-8:30 AM **Pathology Conference (Pathology Dept., 6th Floor Gateway)**
Celeste Powers, MD, Pathology, VCUMC
In this conference, which takes place at the pathology lab, the slides of biopsies obtained from our clinical practice during the previous two weeks are reviewed. Residents are to review the slides and the pathologist serves as moderator to assure that the findings are described properly. At the end of each pathology slide review, the pathology attending makes a short presentation regarding the particular case under review. At the end of each pathology slide review, the participants will be able to analyze and describe their findings for the case(s) presented.
- 8:30-9:30 AM **Evidence Based Medicine**
Kelley M. Dodson, MD Assistant Professor Otolaryngology, VCUMC
In this conference, participants will review the current literature in Otolaryngology – Head and Neck Surgery. Journal articles will be discussed and analyzed in great detail, according to the principles of Evidence Based Medicine. Participants will be instructed in proper methods to review the literature and analyze research techniques. At the conclusion of this session, attendees should be able to critically appraise the medical literature and incorporate new findings into everyday clinical practice.
- 06/18 7:00-8:00 AM **GME Lecture Series (Residents only) (no CME credits)**
7:00-8:30 AM **Faculty Meeting (no CME credits)**
8:30-9:30 AM TBD –
- 06/25 7:30-8:30 AM **Management of Tracheal Stenosis and Stents**
R. Wes Shepherd, MD, Assistant Professor of Medicine, Interventional Pulmonology
During the program participants will review endoscopic techniques in the management of tracheal stenosis and long term outcomes of endoscopic management techniques At the close of this program, the participants will be able to define the pathophysiology and classification of tracheal stenosis.
- 8:30- 9:30 AM **QA/M&M – Closed Conference, Otolaryngology Staff and Residents Only**
Residents, Otolaryngology, VCUMC
At the close of this program, the participants will be able to pinpoint areas of suboptimal outcomes and devise plans for improving and maintaining good outcomes through review of operating room, emergency room, and office/clinic patient concerns
