

VCU Medical Center

Virginia Commonwealth University

DEPARTMENT OF OTOLARYNGOLOGY

Head and Neck Surgery Thursday Conference Schedule

(Unless otherwise stated, all conferences are held in AD Williams, Suite 402)

March 2009

- 03/05 7:30-8:30 AM **Non-melanoma Skin Cancers and Their Non-operative Treatment**
Patrick Maiberger, MD, VCUMC Department of Otolaryngology
At the conclusion of this conference, participants will gain familiarity with non-surgical treatment options for non-melanoma skin cancers. This will include classification of type and recognition of indications, analyzing efficacy and differentiating risks compared to more standard treatment.
- 8:30-9:30 AM **Neuroradiology Conference**
Warren Stringer, MD, Neuroradiology, VCUMC
In this conference, the diagnostic imaging studies of patients seen during the past two to four weeks are presented and interpreted by otolaryngology residents. At the conclusion of this program the participants will have the ability to analyze and interpret diagnostic imaging studies from the cases presented. A neuroradiologist is present at this conference to assure and discuss interpretations and clinical implications
- 03/12 7:30-8:30 AM **Pathology Conference (Pathology Dept., 6th Floor Gateway)**
Celeste Powers, MD, Pathology, VCUMC
In this conference, which takes place at the pathology lab, the slides of biopsies obtained from our clinical practice during the previous two weeks are reviewed. Residents are to review the slides and the pathologist serves as moderator to assure that the findings are described properly. At the end of each pathology slide review, the pathology attending makes a short presentation regarding the particular case under review. At the end of each pathology slide review, the participants will be able to analyze and describe their findings for the case(s) presented.
- 8:30-9:30 AM **Evidence Based Medicine**
Kelley M. Dodson, MD Assistant Professor Otolaryngology, VCUMC
In this conference, participants will review the current literature in Otolaryngology – Head and Neck Surgery. Journal articles will be discussed and analyzed in great detail, according to the principles of Evidence Based Medicine. Participants will be instructed in proper methods to review the literature and analyze research techniques. At the conclusion of this session, attendees should be able to critically appraise the medical literature and incorporate new findings into everyday clinical practice.
- 03/19 7:00-8:00 AM **GME Lecture Series (Residents only) (no CME credits)**
7:00-8:30 AM **Faculty Meeting (no CME credits)**
8:30-9:30 AM **Approaches to Skull Based Tumors**
William C. Broaddus, MD, Ph.D, Department of Neurosurgery, VCUMC
- 03/26 7:30-8:30 AM **TBD**
8:30- 9:30 AM **QA/I/M&M – Closed Conference, Otolaryngology Staff and Residents Only**
Residents, Otolaryngology, VCUMC
At the close of this program, the participants will be able to pinpoint areas of suboptimal outcomes and devise plans for improving and maintaining good outcomes through review of operating room, emergency room, and office/clinic patient concerns

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) by the School of Medicine, Virginia Commonwealth University (VCU) and the Department of Otolaryngology. VCU is accredited by the ACCME to provide continuing medical education for physicians.

Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.

VCU designates each hour of this educational activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.
