

**Office of Environmental Health & Safety
Chemical/Biological Safety Section**

Directions for Training Modules

1. Log into Blackboard - <https://blackboard.vcu.edu/webapps/portal/frameset.jsp>
2. Click "Organization" tab
3. Perform organization search on "Chemical Safety"
4. Click the drop-down arrow next to "Chemical Safety"
5. Select "Enroll"
6. Once enrolled, click "Training Module"
7. Select appropriate training module and test.
8. The test completion screen should be printed and maintained with the laboratory records.

Note: The tests are self grading.
