Program Description:	Camp Horizon offers a summer experience designed to help campers develop leisure and social skills, and increase independent participation in leisure activities. Swimming, sports, art, music, and games are daily activities, and a field trip is part of each camp session. A unique feature is the camp's "canine counselor" who interacts with campers to assist them in developing social and recreational skills. Camp Horizon uses facilities on the campus of Virginia Wesleyan College in Norfolk. There are 7 five-day sessions (Monday-Friday), 10am until 4pm, offered from late June through early August. Some sessions also have an overnight option. Campers may elect to participate in one or more sessions during the summer. Please call for the camp schedule and further information.
