<b>Location Served:</b>	<b>Virginia</b>
<b>Families Served:</b>	<b>Families of youth who have diabetes</b>
<b>Ages Served:</b>	<b>Approximately 9-14 years of age</b>
<b>Fee Schedule:</b>	<b>Tentatively \$675 for ten days; camperships available</b>
<b>Program Description:</b>	<b>Camp Jordan is operated in cooperation with the Medical College of Virginia, Children's Hospital and the West Central Richmond Optimist Club. It is a ten-day residential summer camp for youth entering grades 4-9 who have diabetes. The camp supplies insulin and there is full-time medical staff supervision while camp is in progress. There is a full camp program available as well as medical instruction related to the camper's diabetic condition. Call for yearly camp schedule and for further information. Space is limited to 45 campers.</b>
