Program Description:	The Summer Day Support Program of Day Services is designed to provide recreational and skill enhancement activities for children with developmental disabilities and/or those clients who may also be dually diagnosed with emotional and/or behavioral disorders. The program provides socialization with peers, therapeutic recreation (arts and crafts, music, physical and outdoor activities), community integration, personal care as well as nutritional meals and snacks. We encourage consumer choice throughout all aspects of programming. Consumers are Continued on next page.....

provided opportunities to choose activities other than those listed on the activity schedule. The programs are structured to meet the consumer's physical and emotional needs; provide protection, guidance, and supervision; and to meet the objectives of the consumer's individualized service plan. Goals of this program include helping consumers to develop more effective communication skills, social and coping skills, increased daily living skills, and improved adaptive behavior. The staff to consumer ratio will not exceed 1:4. Summer day program hours are 8:30am until 5:30pm. All programs licensed by DMHMRSAS. Call or visit our website for current program information.
