<b>Program Description:</b>	<b>Mount Rogers Community Services Board provides respite services to eligible individuals and families receiving services under the Medicaid Mental Retardation Home and Community-Based Waiver. Respite services must be a documented need and be part of the Consumer Services Plan. Respite services require pre-authorization by the Department of Mental Health, Mental Retardation, and Substance Abuse Services. Mount Rogers CSB also continues to provide stipends to families with children who are mentally retarded. Stipends are limited and families are requested to find their own providers. The CSB will assist in finding a provider if requested.</b>
