Contact Person:	Martha J. Toomey
Type of Service:	Community-based, summer camp, family support
Location Served:	City of Winchester; Fauquier County; and surrounding area
Families Served:	Families of children and adults with mental retardation, developmental disabilities, autism, learning disabilities, sensory or physical disabilities, social/emotional disabilities, and special health care needs; children eligible for Part C early intervention services; foster children
Ages Served:	All ages
Fee Schedule:	\$15 per day
Program Description:	Mary's Family provides an array of family support services including monthly respite days at varying locations. Respite days are held on designated Saturdays at local host churches. Children with special needs have an opportunity to spend the day with a volunteer friend doing activities specifically suited to their individual needs. Siblings are encouraged to attend respite sessions. For more detailed information including upcoming respite days and required family medical forms, call or visit the program website at www.marysfamily.org.
