<b>Program Description:</b>	<b>TwinSaddles Therapeutic Riding Program provides recreational and therapeutic equine assisted activities for children and adults with cognitive, emotional, and/or physical disabilities. Fall and spring sessions are available and focus on teaching basic horseback riding skills. Each lesson is taught by a North American Riding for the Handicapped (NARHA) certified instructor. Therapeutic riding programs offer many benefits including new skill development, enhanced self-esteem and confidence, and improved physical flexibility, balance, and muscle strength. Call for more information, including participant requirements, policies, and releases.</b>
