<b>Program Description:</b>	<b>Family support funds are available through Danville/ Pittsylvania Community Services to offer assistance for families who provide care at home for family members with mental disabilities. Family support is a combination of financial assistance services and technical support that allow families to have control of their lives and the lives of their family members. The family defines the support and the support is flexible and individualized to meet the unique needs of the family and the consumer. Family support services may include but are not limited to respite care, adaptive equipment, personal care supplies, behavior management, minor home adaptation or modification, short- term day care, and other family needs.</b>
