Aug. 2002-present      Virginia Clinical Psychologist License #0810003187

## **CLINICAL, ADMINISTRATIVE, AND RESEARCH EXPERIENCE**

May 2009-present Clinical Psychologist, Hunter Holmes McGuire Veterans Administration Medical Center, Richmond, VA

Design and implement an evidence-based program to treat veterans with co-occurring PTSD and substance abuse disorders. Provide individual, couples, and group therapies to veterans with a variety of mental health conditions. Coordinate service delivery with and provide consultation to primary care and other related professionals and service programs. Teach and supervise psychiatry residents and psychology fellows, interns, and practicum students.

Apr. 2002-May 2009 Assistant Professor, Psychiatry Department, Virginia Commonwealth University Medical Center, Richmond, VA

Provided individual and family therapy to adolescents and adults with focus on treatment of trauma, substance abuse, and co-occurring disorders. Coordinate Youth Co-Occurring Disorders Clinic and state Workforce Initiative Training Grant. Supervised clinical staff and new faculty. Taught and supervised psychology interns and fellows, psychiatry residents and child psychiatry fellows, and medical students. Provided supervision and consultation for Multi-Systemic Therapy, school- and community-based mental health programs. Conducted research on child trauma, co-occurring mental health and substance abuse disorders, and prevention of substance abuse. Chaired Psychiatry Department Strategic Planning Committee. Participated in local, state and national committees and workgroups regarding child and adolescent mental health and child maltreatment.

Apr. 2002-Oct. 2007 Executive Director, Virginia Treatment Center for Children, Virginia Commonwealth University Medical Center, Richmond, VA

Directed children's psychiatric hospital with annual budget of \$7 million. Oversaw acute inpatient, residential, day treatment, and outpatient programs for children, adolescents and families. Oversaw program development, implementation, maintenance, and growth. Provided clinical supervision, clinical coverage, and clinical and administrative consultation. Responsible for all administrative areas of operation, including budget, personnel, quality improvement, and support services. Expanded services to include new acute unit, Multi-Systemic Therapy, residential evaluation program, and specialty outpatient clinics for childhood anxiety disorders, autism spectrum disorders, and youth co-occurring disorders. Wrote contracts and grant proposals. Acted as community liaison for all programs. Provided media representation. Directly oversaw 125 staff.

## **CLINICAL, ADMINISTRATIVE, AND RESEARCH EXPERIENCE, CONT.**

Jan. 2000-Mar. 2002 Executive Director, Albuquerque Family and Child Guidance Center, Albuquerque, NM

Directed nonprofit community mental health center with annual budget of \$1 million. Oversaw community- and clinic-based mental health and substance abuse treatment services. Developed, implemented, and maintained clinical programs. Responsible for all administrative and personnel matters, including budget, marketing, grant writing, and contracting. Supervised 18 staff and provided clinical consultation. Initiated intensive outpatient substance abuse treatment program, treatment program for substance-abusing abusive/neglectful parents, treatment program at juvenile detention center, and school-based mental health programs. Expanded community-based services to include case management, in-home parenting skills, therapeutic martial arts, life skills, and teen computer training services. Obtained over \$500,000 in new contracts and grants. Oversaw training program for psychology, psychiatry, counseling, and social work trainees. Supervised psychology interns in psychological testing.

June 1996-Dec. 1999 Deputy Clinical Director, Protective Services Division, New Mexico Children, Youth and Families Department, Santa Fe, NM

Oversaw protective services in child and adult abuse and neglect over half of New Mexico in a division with an annual budget of \$69 million. Directly supervised 16 County Office Managers; indirectly oversaw approximately 425 employees. Co-developed "Keeping Kids Safe", a plan for systemic change in the delivery of child protective services. Co-developed the Protective Service Division's Excellence Plan, specifying goals, measurable performance objectives, and strategies for meeting them. Oversaw research, development, and implementation of Structured Decision Making in child protective services, including an actuarial risk assessment tool to evaluate the risk of harm to children in the future. Served as Division liaison to behavioral health organizations regarding Medicaid managed care services for children in state custody. Member of Quality Improvement Coordinating Council, a state multi-agency group overseeing quality initiatives regarding Medicaid managed care. Member of review panel that selected external quality review organization for state Medicaid managed care. Member of CYFD committee that reviewed licenses of treatment facilities at which abuse and neglect allegations were made. Helped write new legislation focusing on child safety and introducing permanency hearings for children. Consulted on clinical and mental health issues of children in state custody.

**CLINICAL, ADMINISTRATIVE, AND RESEARCH EXPERIENCE, CONT.**

Jan. 1993-May 1996 Associate Director, Adolescent Unit, University of New Mexico Mental Health Center, Albuquerque, NM

Assistant Professor, Department of Psychiatry, University of New Mexico Medical School, Albuquerque, NM

Directed milieu treatment for 15-bed short-term inpatient adolescent unit. Led interdisciplinary treatment team and assigned therapy cases. Provided individual, group, and family psychotherapy for psychiatrically disturbed 12-18 year olds. Administered group psychotherapy program. Supervised therapy staff, psychology interns, psychiatry fellows and residents, and social work interns and fellows on individual, group, and family therapy. Supervised psychology interns and graduate students on psychological testing. Taught intern and fellow seminars. Designed unit behavioral program. Instituted inservice education for nursing staff. Served as Interim Director for 10 months when there was no medical director. Member of Health Sciences Center Child Abuse/Neglect Task Force; co-wrote HSC abuse/neglect reporting policy; acted as liaison with New Mexico Children, Youth and Families Department.

July 1990-Dec. 1992 Child/Family Therapist, Cognitive-Behavioral Inpatient Program, Franciscan

Children's Hospital, Brighton, MA

Provided individual psychotherapy and family therapy for 8-15 year old boys and their families as part of a six month inpatient program. Performed case management responsibilities. Consulted with unit and school staff and cognitive therapists. Led psychotherapy and social skills groups. Performed psychological evaluations. Supervised psychology interns on group therapy and psychological testing. Taught in intern seminars and provided continuing education for nursing staff. Provided classroom consultation and emergency on-call services. Performed intake screening interviews. Co-designed unit behavioral program.

July 1989-June 1990 Post-Doctoral Fellow in Clinical Psychology, Harvard Community Health Plan, Braintree, MA

Worked half-time providing short-term psychotherapy for children, adolescents, couples, and families. Led social skills group for preadolescent boys and psychoeducational/psychotherapy group for parents of adolescents. Provided on-call and emergency services.

**CLINICAL, ADMINISTRATIVE, AND RESEARCH EXPERIENCE, CONT.**

July 1988-June 1989 Clinical Fellow, Harvard Medical School. Position of Clinical Psychology Intern, Cambridge Hospital, Cambridge, MA

Worked half-time at the Cambridge Hospital Outpatient Psychiatry Department. Evaluated prospective patients. Provided short- and long-term outpatient psychotherapy for adults and couples. Performed psychological assessments. Evaluated patients in the emergency room.

Worked half-time at the Cambridge Youth Guidance Center. Conducted intakes and evaluated prospective patients. Provided short- and long-term psychotherapy for children, adolescents, and families. Co-led psychotherapy group for preadolescent boys. Provided case management. Performed psychological testing. Provided psychological consultation to adolescent runaway shelter.

June 1983-May 1988 Staff Psychotherapist, Duke Psychology Clinic, Durham, NC

Provided short- and long-term outpatient psychotherapy for children, adolescents, adults, couples, and families. Co-led outpatient adult psychotherapy group. Performed psychological evaluations. Assessed new recruits for Durham Public Safety Department. Served on Administrative Committee, 1982-84.

Aug.1984-June 1987 Clinical Trainee, Adolescent Unit, John Umstead Hospital, Butner, NC

Provided long-term inpatient psychotherapy for emotionally disturbed adolescents. Co-led adolescent psychotherapy group. Provided family therapy. Performed psychological assessments. Provided case management. Consulted with team members.
