

ANNOUNCING A NEW MANUAL
FOR THE IMPACT MESSAGE INVENTORY-CIRCUMPLEX (IMI-C)

I wanted to let you know that, as of September 1, 2006, a new and comprehensive manual for the 56-item circumplex version of the Impact Message Inventory (IMI-C) is available on line from Mind Garden publisher (www.mindgarden.com). New corresponding question booklets and scoring sheets as well as a variety of complementary handouts have been added. Finally, an out-of-print companion manual on principles and techniques of providing impact disclosure to patients during psychotherapy sessions has also been made available at the same site. The appropriate references are:

Kiesler, D. J., & Schmidt, J. A. (2006). *Manual for the Impact Message Inventory-Circumplex (IMI-C)*. Menlo Park, CA: Mind Garden.

Kiesler, D. J. (1988). *Therapeutic metacommunication: Therapist impact Disclosure as feedback in psychotherapy*. Palo Alto, CA: Consulting Psychologists Press.

We have discontinued publication and availability of the original 90-item IMI and its manual because of the much improved circumplex and psychometric characteristics of IMI-C.

Thanks again for your interest in my work.

Don Kiesler
