

Special Topics in Assistive Technology

November 13-14, 2008

Greater Richmond Convention Center

Richmond, VA

Sponsored by the Virginia Department of Education's Training and Technical Assistance Centers and the Hospital Education Program at Children's Hospital in Richmond

TechKnowledge 2008 will feature national speakers, practitioner workshops, vendor workshops, interactive sessions, software exploration, and many opportunities to discover innovative applications of assistive and instructional technologies!

This conference is designed for general and special educators, related services personnel, assistive technology teams, instructional technology specialists, administrators, family members and others interested in helping students with disabilities achieve success.

For additional information, visit www.vcu.edu/ttac or contact sswright@vcu.edu. Registration will open September 1, 2008.
