ANTHROPOLOGY MAJOR

The Bachelor of Science major in anthropology requires 36 credits in anthropology, 25 of which must be upper level (300-400-500) courses. A student with a particular anthropological interest that can be best served by courses without the ANTH prefix may suggest a coherent selection of up to 11 credits from such classes to be counted towards the major. A plan for such a selection must be presented to and approved by the program coordinator in the student's junior year or, for those students entering the program at the junior level, at a time stipulated by the program coordinator.

Anthropology Majors are encouraged to complete a minor, preferably one of the minors offered through the School of World Studies
