B. Related Consulting and Research Support

American Society on Aging (January, 2006 – July, 2007)

Under subcontract from the National Asian Pacific American Families against Substance Abuse and the Office of Problem Gambling in the California Department of Alcohol and Drug Programs the Problem Gambling Prevention Technical Assistance and Training. Contributed to overall curriculum development and presented a nationally-publicized, web-based seminar on problem gambling in older adults.

More Life Left to Live, Department of Gerontology, Virginia Commonwealth University (June, 2001-July 2005). Co-Principal Investigator for this project funded by the Delaware Division of Services for the Aging and Adults with Physical Disabilities. The project developed and implemented a statewide model education and prevention program aimed at older adults and service professionals in aging, health, mental health, gambling, and substance abuse services.

A Detection and Prevention Program for Geriatric Alcoholism

Virginia Center on Aging, Virginia Commonwealth University (October 1989-August 1991). Evaluation Director for this training and research grant to educate the elderly, their families, their caregivers, and professionals in the fields of aging, medicine, and mental health about alcoholism in the elderly.
